

**PRESIDENT'S REMARKS ON THE FOOD AND AGRICULTURE
CLUSTER - RIGHT TO FOOD MANUAL LAUNCH Golf Course Hotel**

Protocol Observed

A very good afternoon to you all.

- I am honored to be before you to launch the Right to Food Manual.
- Norman Borlaug an Agronomist stated that, **“without food man can live at most but a few weeks; without it all other components of social justice are meaningless.”**
- I have had the benefit of reading through the Concept Note and I unreservedly agree with all the contents therein.
- Centre for Food and Adequate Living Rights (CEFROHT) and FIAN International thank you very much for this undertaking towards humanity.
- The launch of the Right to Food Manual could not come at any other better time other than this courtesy of the devastating effects the Covid-19 pandemic on the economy and people's ability to access food and the climatic changes we are experiencing comprised of unpredictable weather patterns.
- Realization of the Right to Food is an obligation to which all stake holders should play a part of in their respective capacities.

- “The Right to Food Manual is hereby declared Launched”
- Thank you very much.
